

AT THE CROSSROADS OF CHANGE

2011 Joint ARMSS / POAMN Convention & Conference October 11th - 14th, 2011

La Quinta Inns & Suites · 303 Blum · San Antonio · Texas 78205

**KEYNOTE
SPEAKER**

Rev. Dr. Cynthia Rigby, W.C. Brown Professor of Theology, Austin Seminary
“Being Alive in a CrazyBusy World” If there are any two words that describe the average American on any given day, they are: tired and busy. Our lives are not only full, they are crammed full. And we are always trying to figure out how to pack more in: how to be more efficient; how to create more time; how to be more productive. And, in the midst of all this, we want to be disciples. To follow the One who promises us rest who promises us peace, who promises us joy, who promises us life. At this conference, we'll strive to reclaim the abundant life Christ came to give us, his beloved disciples.

- **Retirement Workshop - Board of Pensions Representatives - (pre convention/conference)**
This holistic retirement planning seminar is designed for clergy and lay Benefits Plan retirees, their spouses, and surviving spouses. At the seminar, you can: ◇ Get an update on Board services, Medicare, and the Board's Medicare Supplement Plan ◇ Explore the different types of retirement housing ◇ Learn about long-term care insurance ◇ Discover tips to manage your finances ◇ Discuss what it means to have a call in retirement

- **Older Adult Ministries 101 - Michele Shultz Hendrix, Director Encore 50+ Adult Ministry, Grace Presbyterian Church, Houston TX - (pre convention/conference)**

The question we face in our congregations is how to mold this generational hodgepodge of ages, faces, values, and views into a productive, collaborative group. People of all ages can worship, serve and work together side by side and draw from a rich mixture of skill and experience. As a community of believers we need to cultivate multigenerational friendships and relationships. There is mutual learning and teaching. There are common missions & collaboration in age groups. This workshop will explore the opportunities for developing an Older Adult Ministry in your congregation and reach across the ages to all generations for effective ministry!

- **Presbytery Representatives - Rev. Ken Smith, Chair of the ARMSS Governing Body Network**
PR's will meet both Wednesday and Thursday early morning. Each morning will bring new and different exploration of what it means to be a presbytery or synod ARMSS representative and to encourage you in sharing the message of ARMSS in your area.

- **Chaplain's Track - Rev. Tom Tickner, Chaplain, Grace Presbyterian Home, Dallas TX**

The Chaplain's Track, will focus around the gifts that each of the chaplains bring to the work that we do. It will be an opportunity to share our work together and act as a support group to each other.

- **Keys to Effective Mentoring and Ministry - Rev. Dr. Douglas Harper**

Mentoring is a partnership, where the mentor "takes on the responsibility of cooperating with the individual in the pursuit of ministerial skills, in the development of a ministerial identity, and in bringing book knowledge, experience, expertise, and wisdom into dialogue with the life of the community"

- **The Power of the Word in Teaching & Relationships – Rev. Katie Cummings, Adult Ministries Pastor, Grace Presbyterian Church, Houston TX**

Words matter. They shape the ways we think, relate, learn, and hope. And if Jesus Christ is **the Word** in whom our lives are found, how does the Word shape our words as we serve the church and the world? We will look to Christ as our model for teaching, leading, and building relationships that move beyond programming and generational divides. Be inspired by the power of the Word!

- **Breakthrough Ministry - Change! Contagious, Continuous & Compassionate - Rev. Orin Grant, St. Paul's Baptist Church, Gretna LA**

In August 2005 Grace Presbyterian Church and many other congregations in Houston found themselves surrounded by proximity with many Katrina evacuees from Louisiana. Grace Presbyterian Church adopted 75 families from New Orleans (250 individuals). Breakthrough Ministry was the collaborative effort of the Reverend Orin Grant and Michele Shultz Hendrix developed to help Louisiana residents understand in the midst of "change" that large and small churches can partner in ministry together, across cultural, racial, and denominational barriers. Reverend Grant will share the significance of partnering in ministry and offer insights into a change that has been contagious, continuous and compassionate and how it affected and benefited the congregations and their communities.

- **Alzheimer's Disease: Changing Patterns of Behavior! – Ginny Nyhuis, Community Outreach Coordinator, Alzheimer's Association of Southeastern Wisconsin**

Explore the differences of age-related memory loss, dementia and Alzheimer's disease. Learn about changes in the brain, and changes in patterns of behavior as a result of Alzheimer's disease and other related dementias. Discuss risk factors and changes in lifestyle that can reduce your risk.

- **Silver Tsunami - Are You Ready for the Boomers? - Dr. Mary Ann Johnson, Professor of Foods and Nutrition and Faculty of Gerontology, The University of Georgia**

On January 1, 2011 the first Boomers reached 65. Massive numbers with greatly different needs and wants, challenge church ministries to adapt. The boomers have made changes in every phase of their life to this point. This phase of life is no exception. Older adults will look very different. Churches will need to work toward a Balanced Older Adult Ministry so they are not caught in the storm but can effectively ride the "age wave".

This workshop will review how to remain physically active as we age, as well as how to select foods and supplements that support health and help prevent and manage age-related health problems.
 - **Reaching Across the Ages: Why Older Adult Ministry? - Rev. Dr. Marvin L. Simmers, Interim Director of Advanced Professional Studies, Columbia Theological Seminary**

Let's use our gifts, and discover new ones, in order to enrich our lives and the lives of members of our congregations and communities.
 - **Connecting Through Technology: Helping Scary Changes in Technology, Become Breakthroughs in Communication - Rev. Désirée Youngblood**
In our ever-changing world, technology seems to change faster than anything else, so fast that most of us cannot keep up with the changes. In fact, many of us have already given up trying. Yet, the latest technology is not all about new video games. Much of it could be used to keep us all connected. Instead of isolating us, technology has the potential of enhancing relationships. Come and catch up on the latest technology that can help us stay connected not only with our grandchildren but also with our friends, family, and church family.
